<u>Plan Quantity</u>	<u>Item Description</u>	<u>Unit Price</u>	<u>Total Amount for C007423305</u>
150 LF	66" Round Equivalent Culvert Pipe, Type 5	\$ _____	\$ _____

Bidder agrees to furnish all labor, materials, transportation, etc. to fabricate and deliver the culvert pipes and steel headwalls as shown in plans to the county yard in Falls City, Nebraska. The pipe shall be fabricated so the headwalls will be vertical after construction unless indicated otherwise on the plans. Delivery of all materials shall be coordinated with Richardson County. Shop plans must be submitted for approval prior to fabrication.

Bidder understands that Richardson County will be considering the lowest bid for each site. Richardson County reserves the right to remove any item(s) at no expense. Richardson County reserves the right to reject any or all bids and waive any technicalities.
